Controller of Examinations   Principal

Copy to   **All HODs, Deans.**

Guidelines

1. Existing question paper pattern shall be followed for online test.

2. Student has to write his / her name and USN on the top of every page and affix signature at the bottom of every page. Otherwise, answer script will be rejected.

3. Under each question number, as many questions as possible of the same depth of knowledge may be set so as to facilitate randomization of questions to students.

4. Wherever numerical problmes are given, different numericla problems shall be set by changing the data.

5. The respective faculty member shall upload the question paper 10 minutes before the commencement of test.

6. Answer scripts shall be scanned by the students and mailed to the respective faculty through email in a single pdf file, within 10 minutes after the completion of test.

7. Faculty member has to share their email-id to students (preferably by typing email-id on the top of the question paper).

8. Google-forms, edmodo and Moodle platforms (tools) may be used for conduction of proctored online test.

9. Inform the students to keep the camera on during entire duration of the test.

10. Faculty member has to record the each session of the test they have conducted and submit the copy of the recorded video to HoD immediately.
